- Guarantee -

You'll experience up to 50% reduction in energy consumption and 20% increased airflow with a CLEVER Life fan *

* when compared with a conventional 50" 3 Blade AC Fan

Product Specifications

Model	FLM5211-2
Colour/Finish Options	White
Blade	3 x ABS moulded blades
Blade Pitch	13 degrees
Control Type	RF Remote + WiFi APP
Mounting Type	Hangsure
Rated Input Voltage	110 - 240V AC
Rated Input Frequency	50 -60 HZ
Motor Rating	DC 26W / 190rpm max
Lamp Power Rating	20w CCT + Dim LED
Fan Clearance (From Ceiling)	370mm
Gross Weight	7.8kg
Net Weight	6.2kg
Warranty	3 yr In Home / 5yr Manufacture
Packaging Size	690 x 360 x 275

* Now available with 230v Wall Controller, 700mm & 900mm Dropper Rod Extension
